“Spellbound, entertained and inspired are just a few of the words that immediately come to mind when thinking of Greg White and the impact he has with audiences. I’ve had the privilege of hearing most of the international’s best speakers and Greg White is among the elite. Regardless of the ages of his audience, he delivers with incredible style. Standing ovations are great, but Greg is focused more on what each person is inspired to do when they walk out. More interested in “engagement” than entertainment, Greg White delivers.”
